Form 990, Part VI, Section B, Line 12c:

Annually, all board members and employees (including officers) are required to review the Code of Conduct, formally acknowledge their understanding of the Code, and disclose any real or potential conflicts of interest.

Through its shared services agreement with AARP, WISH participates in AARP's enterprise-wide compensation reviews. AARP has a competitive position in the marketplace that considers relevant for-profit and not-for-profit data since this is the landscape in which AARP and its affiliates compete for talent. Establishing the appropriate compensation for positions and jobs considers external market pricing (where possible) from an independent, third-party compensation firm, internal criteria, and an individual's actual performance and contribution. Internal criteria are based on a standard approach that measures the internal value of positions, including: complexity and scope of responsibility, skill set and competencies, education and experience, and the reporting relationship of the position. An individual's actual performance and contribution is
